

Absolute Metal Finishing

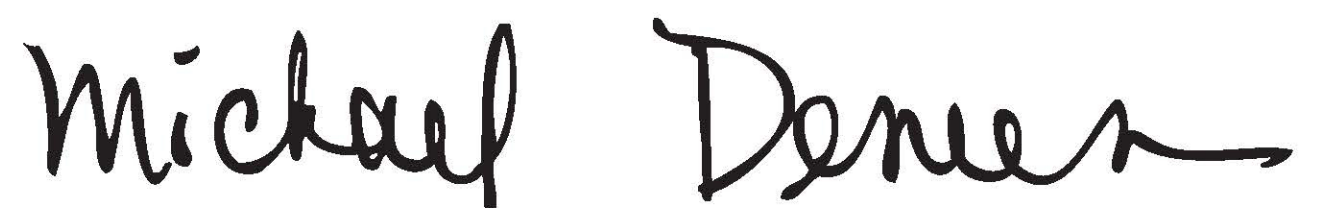

Quality Policy

Absolute Metal Finishing provides our customers with high quality painting, powder coating and metal finished parts using processes that ensure a quick turnaround and exceptional service that meets or exceeds their expectations.

WE ACCOMPLISH THIS BY:

- Establishing **consistent processes** that achieve quality requirements under controlled conditions;
- **Continually improving** the effectiveness of our quality management system;
- Continuously monitoring and analyzing our **quality objectives**;
- Providing our staff with necessary **training and resources** to be successful

Our President ensures that this policy is communicated, understood and implemented at all levels within the organization.
